

Coaches and League Directors,

This Saturday our Coaches agreed to move the Greco start time on Friday, June 8th to accommodate several schools that are still in session and summer school. **The new weigh-in time is 1 pm - 2 pm, Start time at 3 pm.** In addition, if you have a wrestler that has school that doesn't end until after 2 pm and cannot make that time, we are offering the following.

- The wrestler's coach (not the parent) can email the wrestlers name, age division and weight to me (Mark) by Friday, 1 pm. The wrestler must still pre-register. They will have one opportunity to verify that weight as long as they arrive before 3 pm. If they are more than 1 lb. over the weight the coach sent in, they will be removed from the bracket they are placed in. If they show up after 3 pm, they will be forfeited from the tournament. **Coaches, please do not abuse this and only use for the extreme circumstances.

Other Reminders for this weekend:

- Wrestlers must register and pay on trackwrestling to participate.
