### **Open Enrollment Application**

#### **What is the MYFA Open Enrollment Application?**

The Monticello Youth Football Association believes that all children in our community should be able to participate in sports. We also recognize that some children come to our program from outside of our school district boundaries and we would love to help aid in getting them into youth sports. To help us understand when and why other children are coming to our program, we have created an application for parents to fill out. This application must be filled out and sent to the email below to be considered for approval to play with MYFA.

#### **How is the application approved?**

The application will be reviewed and voted on by the MYFA board members. A representative of the board may contact you for further information so we can better serve you.

Once you have submitted the application, this process could take up to 30 days to be reviewed. Please make sure that your application is submitted by July 1st, 2024 to ensure we have enough time to approve the application and your child is added to the roster for participation. The Board of Directors will update the status of any open enrollment applications via email on or before July 17th, 2024.

This process is confidential and only our MYFA board members will see your information. If you have been approved for the open enrollment application, one of our board members will contact you and process the application. All applications are confidential.

**Open Enrollment Application**

Confidentiality: Monticello Youth Football Association will use the information on the application only to decide if your child qualifies to participate with eligible MYFA athletic activities. Confidentiality will be maintained at all times.

***Please note: Approval of the open enrollment application does not register the participant in the activity. You must still register the athlete in the sport desired.***
