## What are the benefits of being a part of Ontario Soccer?

As the third largest amateur sports organization in Canada, Ontario Soccer is proud to serve a massive membership of over half a million Ontarians. Our organization develops, supports, and delivers programs and services throughout Ontario in partnership with grassroots communities and Clubs, District Associations, Municipal, and Provincial Governments, Universities, Colleges, Schools, and Professional Soccer Organizations.

By continually fostering innovation and being progressive leaders in soccer, we aim to bring to life our vision for the beautiful game: Play. Inspire. Unite.

Check out how vast and varied the benefits of being a part of the largest and leading Provincial Sport Organization in Canada are – whether you are a Player, Coach, Match Official, Administrator, District, or Club, there is something for you!

Proud member of the global soccer community.

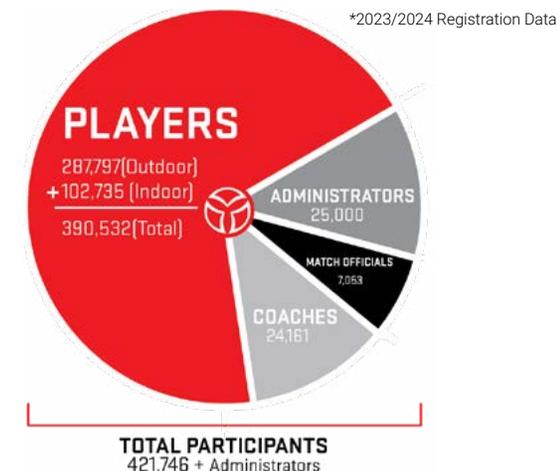

### Vision

Soccer, where everyone is welcome.

### Mission

Provide innovative and sustainable soccer programs and services to help build strong communities.

## DISTRICTS & CLUBS

As Ontario Soccer's most important membership group, incredible resources are provided to ensure systemic support and guidance for all Districts and Clubs.

**ONTARIO  
SOCCER**

EST. 1901

Creating an infrastructure that makes 'Play' as easy, fun, and safe as possible is one of our biggest goals! Here are some of the things we provide to make the on-field experience a positive one for all, and some of the events we make available to everyone!

### Ontario Soccer Summit

The Ontario Soccer Summit is designed as the annual "must attend" event for 600+ key soccer thought leaders and influencers from all across the province and Canada. The weekend-long event provides best practice insights in the areas of coaching, officiating, player development, club development, business of soccer, and administration.

It's your annual personal or professional development weekend of learning and sharing and where Learners Become Leaders!

### MilkUP Ontario Cup

The Ontario Cup is our outdoor Provincial Soccer Championship and the largest Club competition of its kind in Canada. As one of the oldest sporting events in the country, it was first staged in 1901. Not only do teams have an opportunity to earn a Provincial Title, but they also have the opportunity to play against teams from other parts of the province that they would not meet during regular league play. The Cup Tournament culminates with the Cup Finals (livestreamed over the internet), with the added prize of a National Club Championship in the Under 15's, Under 17's, Men's, and Women's divisions.

### Ontario Indoor Cup

The Ontario Indoor Cup is the Provincial Indoor Championship and is open to any Indoor or Futsal registered team in Ontario. The Finals are held at The Zanchin Automotive Soccer Centre and livestreamed across the province. Winning teams can claim the Provincial Title for this small-sided game.

### Ontario Futsal Cup

The Ontario Futsal Cup attracts the best Clubs from across the province to determine the Provincial Champion. Futsal is an exciting fast-paced sport that showcases a player's ball skill, control and footwork. The competition includes various youth and senior divisions and is open to any Indoor or Futsal registered team in Ontario. The Champions in the Men's & Women's divisions advance to the Futsal Canadian Championships held in April each year.

### Masters Provincial Championships

The Masters Provincial Soccer Championships was created for Men's teams in Over-35 leagues all over the province and Women's teams Over-30. The winners earn a trip to the Masters Men's Eastern National Club Championship and the Masters Women's Western Club Championship, held in September in various cities across the country.

### Centre Circle Awards

The Centre Circle Awards Presented by Nothers are Ontario Soccer's highest level of recognition and are presented annually to deserving soccer leaders and organizations nominated on the basis of their outstanding contributions to the development of soccer in Ontario and Canada. Individuals, Clubs, Coaches, Match Officials, Young Leaders, and other sport leaders, who have dedicated so much of their time and energy to the sport, are honoured at an Annual Luncheon among fellow members of the Soccer Community.

Our ultimate goal is to help Clubs grow the game by providing them the tools to improve every aspect of their operations. The following programs are a few of the ways we do this:

**Club Support**

**Administrative guidance on policy and procedure compliance and long-term planning**

**Administrative guidance on Canada Soccer Youth Club Licensing Program Benefits**

**Club-specific webinars on current and relevant administrative topics**

**Development of accessible and inclusive programs**

**Partnership development with underserved sport groups (Aboriginal Sport and Wellness Council of Ontario, Street Soccer Canada, ParaSport Ontario, Special Olympics)**

**Grant writing advice and support**

Canada Soccer and Ontario Soccer are implementing this program as a framework for organizational development both on and off the field. As a customized program for the unique Canadian soccer landscape, it is designed to elevate standards and reinforce best practices. The program will enhance the participants' environment and experience, and contribute to improving the overall soccer system in this country.

Ontario Soccer provides guidances for players, both at a Soccer For Life and Talented Pathway level. For more information on the Talented Pathway and High Performance opportunities, please visit: <http://www.ontariosoccer.net/high-performance>

As the governing body of soccer in Ontario, one of our mandates is to lead, manage and coordinate a high performance talent identification and training program in order to transition players, match officials and coaches to Canada's National Team programs and/or higher levels of the game.

As the governing body of soccer in Ontario, we are proud champions of Long Term Player Development. The following benefits enhance our efforts via the Talented Pathway:

- 
**Provincial Xcel**
  - Player identification and preparation for Provincial Xcel Teams & Inter-Provincial Competition
- 
  - Player identification for Regional and National Excel Programs
- 
  - Experienced and Nationally-Licensed Coaching Staff
- 
  - Opportunity to Play for Team Ontario at the Canada Summer Games

The OPDL is a best-in-class Player Development program that serves as the province's standards-based youth league, combining top level competition with performance development training standards. Currently License Holders, consisting of Clubs from across the province, enjoy the following benefits:

## Government Relations

Ontario Soccer has never been more relevant than in the year 2020. When the global pandemic hit and the world stood still and waited Ontario Soccer was working around the clock to ensure soccer's safe and expedient return. With every new government order, our Crisis Management Team worked tirelessly on interpretation and translation on almost a *daily basis*. These interpretations led to a first class Return To Play Guide, as well as a number of member webinars and resource documents, enabling participants to Pitch In, Play ON!

This type of government relations work is not new - we have always acted as a link between members and the Ontario Ministry of Sport . And this work will continue, making soccer safe and enjoyable for years to come.

## Advocacy

Ontario Soccer has a long history of advocacy, including SafeSport and DEI topics like concussion safety, respect of match officials, player safety, mental health, accessible soccer and more.

During the global pandemic, we were among the foremost advocates for the safe return of soccer in Ontario.

<https://www.ontariosoccer.net/returntoplay>

## Marketing

Our marketing and awareness campaigns continue to level-up our presence, and increase engagement amongst our membership and Ontarians alike. Supporting various diversity, equity, and inclusion initiatives, and further promoting our sport via our web and social channels, these campaigns are a great way to reach households across the province.

**Concussion Resources**

Ontario Soccer is committed to supporting its member organizations in the implementation of Rowan's Law to help mitigate the risk of concussions in soccer.

In accordance with Rowan's Law in Ontario and the National Concussion Policy, we have established a collaboration with Parachute, Canada's national charity dedicated to injury prevention, to provide our member organizations with access to up-to-date resources for the prevention, recognition and management of concussions. These tools will assist greatly in our community's ongoing efforts towards concussion policy and protocol development, training and education/awareness for all stakeholders.

Visit [ontariosoccer.net](http://ontariosoccer.net) for more information and resources!
