Holiday Giving

Sharing Christmas Shopping Spree partners with the DinoMights for the 3rd year spreading holiday joy and support for our families.

Founded in 2017 by Ryan Muhlbauer, Sharing Christmas was created as a way to give back to communities in need during the holiday season. With 100% of funds raised going directly to families, the impact is immediate and deeply felt.

DinoMights kids had the opportunity to create shopping wishlists and were given \$50 for each member of their family to shop for. **Sharing Christmas making a lasting impact** After selecting their **for communities in need during the holidays** gifts, the kids with the help of amazing volunteers wrapped them adding a meaningful, hands-on touch that completed the holiday experience. Throughout the day, smiles and laughter filled the room as families shared in the joy of giving.

The holidays can be a stressful time, especially for families facing financial challenges. Sharing

Christmas helps ease that burden, allowing families to focus on what the season is truly about, connection, generosity, and care for one another.

DinoMights is rooted in giving and equipping youth with the tools they need to succeed in life, making this partnership a natural fit. Sharing Christmas Shopping Spree has played an important role in supporting our DinoMights families and making the holidays brighter.

We are incredibly grateful for their generosity and for choosing DinoMights as one of their partner organizations.
