

Complete Game 10 Week Winter Hitting Program

Complete Game is excited to share that we are again offering an off-season winter hitting program for the Mounds View Fastpitch Association! We have a long standing relationship with MVSA and look forward to offering training programs again this year. The 10 week off-season hitting program is a great opportunity for players of all ages. The program will begin the first week in January and end the first/second week in March. Players will train the same day and time for the 10 week span that they reserve from the options below.

Players will receive top notch instruction during the off-season as we have several experienced and knowledgeable fastpitch instructors. Some of Complete Game's top hitting instructors include: Matt Faulken, owner of Complete Game; Jordan Davies, current 16U Head Coach for the MN Moose and former member of the University of MN Duluth softball team; Abbey Nelson, former member of the University of MN Duluth softball team and Kayla Wenner, former member of the University of Minnesota softball team.
