May 13, 2020 MEMO Release

Good day PGYSA/PG IMPACT members, staff, board,

We want to thank everyone for their patience and support while we have taken time to critically review the current landscape and decide the best way forward for our 2020 programming. In line with the upcoming school break and the most recent release by BC Soccer (please see link below), the decision has been made to close the PGYSA/PG IMPACT office and suspend all programming between Friday March 13, 2020 and April 05, 2020. If additional time is needed (decisions will be made in association with the recommendations/guidelines provided by our governing bodies), additional communication(s) will be provided during this timeframe.

By taking precautionary measures now, we are looking forward to transitioning into the third phase of our Club development plan. New and revised opportunities for all players and coaches to gain positive experience and grow together within our Club Model, are slowly being introduced over a four-year timeframe. With new relationships and partnerships developing with local and regional sport entities and businesses, we are dedicated to building a long-term connection within the community and the region.

Sincerely,

T. Russell
PGYSA/PG IMPACT Director of Club Operations
