WEEKLY COURTSIDE UPDATES AND NEWS FROM COACH SCHROCK

We hope everyone had a great first two days of school! It was nice to see the high school guys back at school this week. We must make our academics a priority all year long, Grizzly basketball players are hardworking respectful students first!

Upcoming High School and Middle School:

This will be our last week of our dead period. Next week I will send out the schedule for the upcoming week of the times the gym will be open for shooting/skills and for open gyms. We will also start back up our lifting program next week. We are all ready to get back into the gym and start the work for the 2024-25 season.

Upcoming Youth:

We will be sending out dates soon for our fall skills sessions for grades 2-6. We will do these on Sunday nights to avoid fall sport obligations. The nights are opportunities for the youth to work with the high school staff and players to prepare for youth evaluations and the youth season. We hope to see everyone there.

Fall Sports:

We are proud of all of our fall sport athletes so far this season. Keep up the great work!

Fundraisers:

We have the car raffle going on right now. When you go to the fundraiser page to buy tickets please select Boys Basketball. This makes sure that the funds raised go to our program. The drawing for the car will be during the Homecoming football game.

Other Information:

We are looking to get team shoes this year. We will talk it over with the players to see which ones they want. Don't buy shoes for the season yet, we are going to try and all get the same.

Hooper of the Week: Jude Kapusinski

Jude has been finding opportunities to get in the gym and get up extra shots this past month. He has worked hard in the weightroom and has organized pick up games. Proud of you Jude!
