

# Spring League 2026

For girls in 4<sup>th</sup>-8<sup>th</sup> Grade in the Hudson School District

## **Online Registration Opens – Saturday, January 17, 2025, at 8am**

Register at [www.croixattack.org](http://www.croixattack.org).

Season Fee: \$250 (plus approx. \$10 SportsEngine registration fees)

Please be sure your player is registered correctly using the current grade for the 2025-26 school year. Similar to prior years, we do need to limit the total number of players so it is critical to register early.

Registration Closes once each grade capacity is met. Families will be able to be added to a waiting list by emailing the Spring League email – [HUDSONVOLLEYBALLWI@GMAIL.COM](mailto:HUDSONVOLLEYBALLWI@GMAIL.COM).

Practices – Scheduled to begin in March through May 9, 2026 (2-90 min practices per week) Note: Practices vary each week based on gym availability and could be scheduled on any day of the week except Saturdays (which are playdates).

Playdates – Teams will be scheduled for 4 Saturday play dates between April 4-May 9, 2026. In addition to regular playdates, grades 7/8<sup>th</sup> will have the opportunity to also play in the LCT (League Championship Tourney) on May 9, 2026. While we are hopeful that play dates will occur, it is completely possible that our teams may not be placed in all requested dates based on WIVL availability.

## Pre-Season Prep Sessions –

Players that are already registered for Spring League 2026, will be eligible to participate in a preseason session series to get ready for the upcoming season. This opportunity is optional for all registered spring families for an additional fee to cover facilities and coaching fees. Exact session dates will be confirmed once registration closes and teams are confirmed. This will be a separate registration.

## Placement Clinic - 6th - 8th grade

There will be a placement Clinic for any of the 6, 7 or 8<sup>th</sup> grade teams on Friday, February 6th. The Placement Clinic is NOT a tryout and the intent is to place players together who have similar skill sets to provide better learning experiences. Details will be provided via email and posted at [www.CroixAttack.org](http://www.CroixAttack.org). Girls currently in 4<sup>th</sup> and 5<sup>th</sup> grade do NOT participate in a placement clinic and will automatically be placed on teams. Parents are NOT allowed in the school during placement clinics.

# SPRING LEAGUE 2026 PARENT LETTER

## 2026 Spring Volleyball Parents –

HVA is excited to offer another Spring League season for girls in 4th–8th grade residing in the Hudson School District. Spring League is designed to teach and develop competitive volleyball skills, and all girls who complete registration will be placed on a team.

### **Registration & Fees**

Spring League is open to all girls currently in 4th–8th grade residing in the Hudson School District. Because girls are guaranteed a spot, the entire season fee of \$250 per player (plus approximately \$10 SportsEngine fees) will be due when you register online via Visa, Mastercard, or Discover. The fee covers player jersey, gym space, league fees, insurance, coaches pay and HVA operating expenses. Because of how funds are allocated, there will be no refunds unless your player is unable to be placed on a team.

Due to limits on host locations for playdates, wanting to ensure player development and playtime for all participants, registrations will again be limited this year; thus, it is highly recommended to register early.

**Online registration opens at 8:00am on Saturday, January 17, 2026**, and closes once grade capacity is met. Registration information and required forms will be posted at [www.croixattack.org](http://www.croixattack.org). Please register for the correct **grade**, as team placement cannot be guaranteed for incorrect registrations. No walk-in registrations are accepted.

### **Medical Waiver and Concussion Form**

All players must complete a WIVL Medical Consent Form prior to participating in any practices, preseason sessions, or placement clinics. **NEW in 2026** - This form will now be completed online. No paper forms will be used. Please complete [HERE](#). The link is also posted on our website under Club Information/Forms & Policies. You must be logged into SportsEngine to complete.

### **Placement Clinic – 6th–8th Grade**

A placement clinic will be held for 6th, 7th, and 8th grade players on Friday, February 6, 2026. This clinic is not a tryout and is used to help place players with others of similar skill levels to create positive learning environments. Additional details will be communicated via email and posted at [www.croixattack.org](http://www.croixattack.org).

Girls in 4th and 5th grade will not participate in a placement clinic and will be placed on teams automatically. Parents are not permitted in the school during placement clinics.

### **Coaches**

If you are interested in coaching or have questions, please email [HUDSONVOLLEYBALLWI@GMAIL.COM](mailto:HUDSONVOLLEYBALLWI@GMAIL.COM) and include your daughter's name and grade.

We look forward to a great spring season!
