### President's Report

---

- Business info from Chamber has not been received yet.
- Team numbers -  
Girls: May move 1-2 8U up to 10U. Should have 1-2 more girls signing up at 10U.  
Boys: 14U has high numbers. 10U has good numbers. 8U and 12U have low numbers.  
Discussed hosting (2) 10U teams, by moving any new 12U players down to 10U and 8U up to 10U versus moving 8U to 10U and a few older 10U to 12U and a few new 14U down to 12U to have one 10U, one 12U, and one 14U. We'd have to push for Invite a Friend events at the pre-season clinic and offer Early Bird pricing.
