 - M.Mady, overview of happenings for opening night, picture and agenda will be sent to coaches, Welcome everyone, whole group cheer, Cheerleaders get banners ready for cheerleaders, intro board members, kick it off with names being called from booth and songs playing to intro the football teams, once all teams are announced we will do a whole league picture on the field. **M. Harrison will send out an agenda tonight to families detailing what to expect for opening night as well as opening day including home side .**
- Is halftime length still 10 minutes?
 - J. Jayne- as long as we need it to be for the girls to perform.
 - H.Mady- it should be about 10 minutes max.
- Spoke to coach marchetti (DV highschool cheer coach) regarding competition cheer mats. Asked to have the school to get rid of them, there were a lot of unknown variables.
- This is my last year as cheer commissioner, if there is anyone who would be interested in filling this position please let us know, it would be beneficial that they shadow for this season.
 - M. Mady- If anyone who is already a coach this year that would be interested this could be the easiest transition

Football Commissioner:

- Everything seems to be pretty good with jerseys, we may run into a snag with having some duplicate numbers, N.Mady and D. Trindade are trying to figure out we have enough jerseys for all players
- We have more ref this year than last year and trying to put them into groups with our refs from last year so that I can hopefully announce games
- M. Mady is working on getting the lines painted on the field
- Encourage players to come to highschool football games!
 - M. Harrison- I have a post going out tonight for the Friday night Varsity game. Do students need a coupon for entrance for the Varsity game? Should we take the mention of a coupon off of the post?

PAYAL Board Meeting

September 6th, 2022

Concession Stand Coordinator:

- All good, working on making food for the weekend now
- Worried about volunteers, I reached out to about two dozen volunteers and have only heard back from about five people.
 - M. Mady- the post that is going out is going to mention that we have to be at the field beforehand for players to warm-up, hopefully since parents will need to be there anyway it will entice them to volunteer.
 - We are doing 50% off for people who volunteer in the snack shack on game days as well for an hour or more. J. Graber- throw that in the email then too.

Equipment Coordinator:

- We have enough jerseys for everyone except the 8-12 Terps, the ones that were ordered did not come in, we are currently trying to figure out if we have enough to make it work sizing wise. This was the last team added to our roster and it looks like everything else is in.
 - H.Mady- could we switch bye-week for Terps to have the bye week for the first game so we have time for uniforms to come in
 - M.Mady- we can look into this option but the coaches may not be available. I will make calls tonight and see if I can get them to switch.
 - M. Harrison- how many uniforms are we short?
 - M. Mady- 5 Shorts, 3 Jerseys. We didn't get the whole order for the 8-12 team.
 - D. Trindade- wait to hear if we will even have jersey by the second game before trying to change around when Terps have a bye-week
- Uniforms will be handed out Wednesday and Thursday at the shed.

Fundraising/Spiritwear Coordinator:

- Spiritwear order made a profit of \$804
- We did have a few errors with money, I have reached out to families who own money
- 50/50, are these going to be every week or once a month, what do we think? H. Mady- is this going to be for every single game or just once a weekend.

Public Relations:

- Question from Kevin who does live radio broadcasting of DVHS football. He would like to have some shoutouts for our kiddos and teams. The idea is to offer as many different kids names as we can.
 - H. Mady- what if we did a fundraiser like cheergrams that people pay to have their children get a shout out.
 - M. Mady- we could do that or have it go along with our krispy kreme fundraiser and the top 10 or so sellers get announced.
 - M. Harrison- I don't know how often he wants to do this.
 - M. Mady- okay, we will get clarification on that
- Senior uniform reveals- are we doing this.
 - M. Mady I will get pictures of them to you, the posts will have to go out pretty quickly
