

How to Turn On Notifications

- [Sign in](#) and go to the [Profiles](#) tab in your user dashboard.
- Click on one of the profiles you would like to add a mobile phone number to.
- Next to *Profile Information*, click the **pencil icon**.
- Scroll down to the "Phone" field.
- Input your phone number.
- Click **Save**.
- On the left-hand navigation in your user dashboard, click on the [Settings](#) tab.
- Scroll down to *Notification Settings*.
- Within the organization that you are affiliated with, on the right side of the page, *check the box* next to your number.
 - You will now receive text message communications from that organization.
