

GIRLS' HOCKEY WEEKEND

October 6th & 7th, 2018

USA Hockey is looking for associations and rinks to host opportunities to build awareness, celebrate your current players and grow participation for girls' hockey as part of the IIHF World Girls' Ice Hockey Weekend. To participate, there are many different events host sites can utilize.

Season Kick-Off Party:

- Collect all of the girls in your program, whether they play on coed or girls only teams, and have a pizza party/public skate. It is a great way to let the girls in your organization know that they are appreciated and allow them the chance to bond with other female hockey players.

Create an Original Event to Celebrate / Grow Girls Hockey:

- Invent a program to bring everyone together in your program or attract brand new girls to your association. Examples include: Pizza party, watch a movie, attend a Women's hockey game, etc.

Cross-Ice Jamboree:

- Invite neighboring programs to collect the girls in their coed programs and form teams for a fun cross-ice jamboree.

Try Hockey For Free:

- Host an opportunity for local girls to try youth hockey for the first time. You can utilize the girls already in your program to bring a friend to the rink.

To be a host site for the eighth annual Girls' Hockey Weekend, please register on www.USAHockeyProgramServices.com.
