

# Student Transportation Permission Slip

It is preferred that all students ride to and from events by school provided transportation. In some circumstances alternative transportation is needed. This form is to clarify who and why there will be a need for alternative transportation as well the mode which it will occur.

A minimum of 24 hours prior to the event this form will need to be signed in order by the parent of the student, the coach/sponsor of the student, a member of the Neuqua Valley Athletic Office/Administration and finally the student. The form should then be returned to the students head coach/sponsor to keep for their records.
