COACH SPURRELL

DEAR CRIMSON FAMILIES AND FANS,

Last year was an unforgettable season, one that saw us capture our **second state championship in three years**. That success was the result of relentless hard work, unwavering commitment, and a special group of young men with incredible character. The **2024 Crimson** will always have a special place in my heart.

This season, we have another group of athletes who have put in the same kind of work and dedication. They're committed to each other and to something bigger than themselves. I'm incredibly proud of this team and they are excited about the season. They understand that the foundation was laid by those who came before them, but this is their path, their story, and their opportunity to define the **2025 season**.

We want **Friday nights to be more than just football** — we want them to be true community events. We aim to put a great product on the field, but just as importantly, we want every fan to feel a sense of pride in who we are and what we represent. We want our stands packed with a strong student section. We want the rest of the stands to represent families, alumni and the strong Maple Grove community.

Our stadium has received a facelift, and the school is undergoing its own transformation. It's a great time to be part of **Maple Grove**, and we should all be proud of where we're headed. As a fan base, I encourage you to show up, be loud, and help us create one of the most electric home field environments in the state. Please sing along with the music, bring the energy, and help us make Crimson Stadium a place opponents fear to play.

Don't forget to stop by the **Swaggin' Wagon** to grab some Crimson gear! Represent with pride — because being part of this program is something special, and no one should take that joy away from you.

This year, we'll be living out three mantras that define our approach.

1. Find a Way

There are many potential obstacles in our way this year. No matter the challenge, our mission remains the same: get the job done.

2. Leave No Doubt

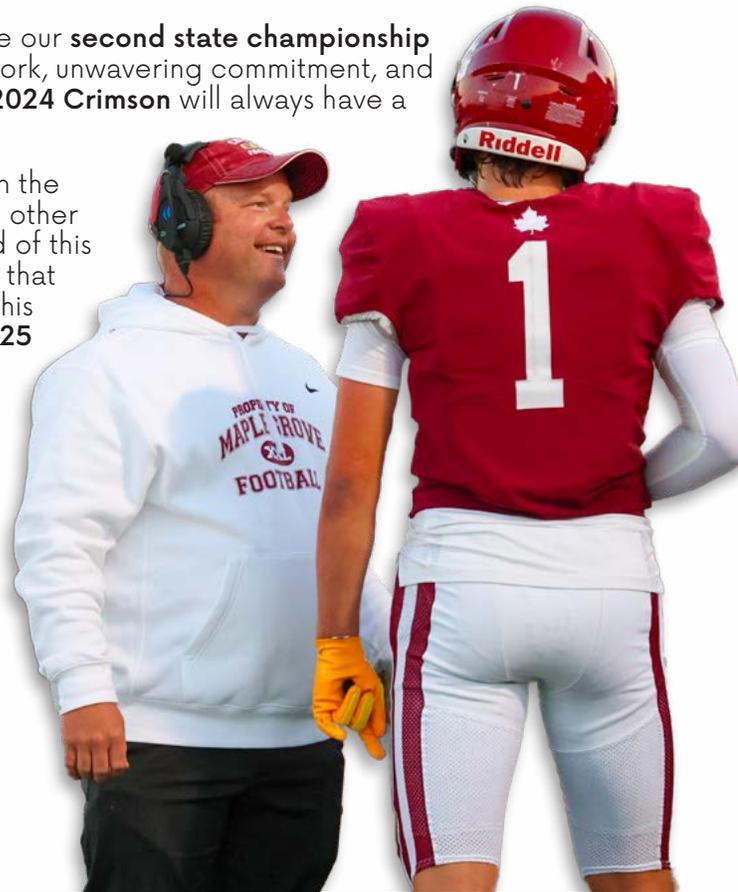

This one will never leave us. Every opponent should know that playing the Crimson means facing a team that brings it — every snap, every play, every time.

3. Fear the Leaf

Our identity matters. As we enter a new district — the toughest in the state — we want it known: Maple Grove Crimson Football is here, and we're here to compete.

Let's make this another season to remember. Thank you for your continued support, and we'll see you under the lights. **Go Crimson!**

- Coach Spurrell

GREETINGS, CRIMSON FAMILIES!

It is my honor to welcome you to the 30th season of Crimson football, with Coach Adam Spurrell and his outstanding staff reloading after an unforgettable 2024 season: undefeated (13-0), and the second 6A Prep Bowl State Championship in three years! Based upon an amazing off season

with hard work, preparation, and conditioning, the expectations for 2025 are clear. They aim to achieve greatness while strengthening the tradition of excellence that is **Maple Grove Crimson Football**.

Everyone has their reason – their “why.” Perhaps it is being part of a team – dedicating to something bigger than oneself. Maybe the grinding, yet rewarding, process of working together and pushing one another through competition with toughness and discipline. It could be in honor of loved ones – family, coaches, and community members. This much is certain: each member of Crimson Football has their “why,” and the 30th season of Crimson football has all the signs of something very special.

At Maple Grove Senior High, we teach, model, and reinforce for our students **The Crimson Way: Motivation, Gratitude, Scholarship, and Honor**.

It is no coincidence that these practices are also embedded within the game of football. Through commitment to a team one can learn the values of trust, hard work, selflessness, character, responsibility, perseverance, and more. Football truly is a unique opportunity for our differences to be molded into unity, where a collection of students dedicated to a common goal can unite behind that purpose and embrace one another as brothers. The strongest of bonds are forged through adversity and love abounds to overcome that which divides us. So it is with Maple Grove Crimson football, and

I thank each and every player, coach and family for giving of yourselves for a common purpose which can make us all better.

Thank you to our community members, business leaders, and MGYFA for your tremendous support and generosity. There is a direct correlation between the strength and positive attributes of our football program with the overall spirit of our school. Without your support, this would not be possible.

After the conclusion of every game, please stay and watch our players shake hands and greet their opponents with class, and then return to our stands to sing the “Crimson Fight Song.” It is a moving display of gratitude, appreciation, and unity, and it is a great example of what makes our program special.

So, the 30th season of Crimson Football is here, and we could not be more excited! For everyone here at Maple Grove Senior High, I sincerely thank you for your support.

GO CRIMSON!

BOOSTER CLUB

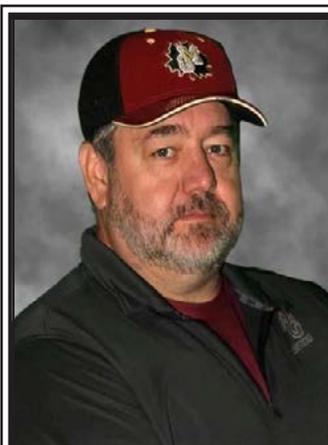

2025

The Crimson Football Booster Club is a non-profit organization providing benefits to the Maple Grove Senior High School football program, which supports more than 200 student athletes each year. Building and maintaining a championship team, while also financing the scoreboard project that benefits all Maple Grove Senior High students and the community, requires financial support from donors. Your donations, which are tax-deductible, provide the following services to support the entire Maple Grove Crimson football program.

This includes:

- Uniforms and equipment
- Concussion testing for athletes
- Additional coaches and coach training
- Updated technology (i.e. new video scoreboard, cameras & Live Stream equipment)

Please consider giving to our organization and check with your employer as they may have a matching grant program. You can give via our business Venmo account ([@Crimson-Football](https://www.venmo.com/@Crimson-Football); please state '2024 Donation' in the notes) or you can give via our web site here crimsonfootball.org. Thank you for supporting Crimson Football!

MAPLE GROVE YOUTH FOOTBALL

Dave Malenke Youth Football Night

Dave Malenke Youth Football Night is named in honor and remembrance of one of the most influential members of the Maple Grove Football community - David Dale Malenke - who passed away in March of 2021.

Dave helped establish Maple Grove Youth Football in 2011 and spent the next decade volunteering endless hours as a coach, board member and mentor for both the youth program and Maple Grove Senior High School football. Dave was a man of action and integrity; he lived an exemplary life of servant leadership, and his spirit of service above self remains a cornerstone of MGYFA's existence. While Dave's impact on football in our community cannot be overstated, his best trait was being a kind and loyal friend to all.

As well, the David Malenke Servant Leader Scholarship was established in his honor, and will benefit a graduating Maple Grove High School football player who best exemplifies the character traits most important to Dave during his life. More details about this scholarship are available at <https://yfb.mgyfa.com/malenkescholarship>.
