February Fire: Heating Up the Court

February has been a month filled with energy, triumph, and unforgettable moments on the court. Our athletes have continued to shine, racking up wins at tournaments and proving that their hard work, discipline, and passion are paying off. Every serve, spike, and rally has reflected their commitment, not just to the game, but to each other. Along the way, we found time to celebrate the joy and spirit of the season. Valentine's Day brought moments of laughter and love, reminding us how much heart our teams bring both on and off the court. Through victories and festivities, one thing has remained constant: our deep gratitude for the our athletes, families, and supporters who make this club so special.

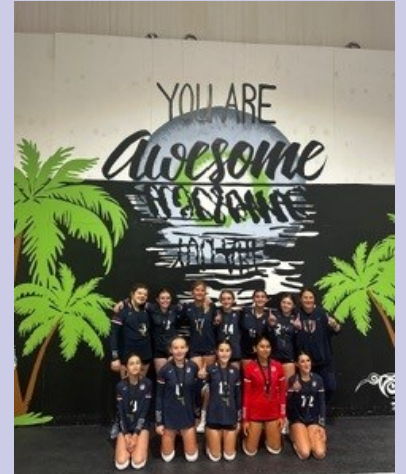

As February continues, our excitement only grows with the incredible news that our new facility is on the horizon. This space represents more than just new courts, it symbolizes growth, opportunity, and a bright future for our entire program. We can't wait to have a home where our athletes can train, improve, bond, and continue building the culture of excellence that defines us. Our coaches have poured their hearts into guiding these players, and we are endlessly thankful for the leadership, encouragement, and dedication they bring every day. With big wins behind us and even bigger dreams ahead, February reminds us how much we have to celebrate. The momentum is real, the energy is high, and as we head into the next chapter, one thing is clear: our teams are on fire, and the best is yet to come.

New Facility Coming Soon!

We are excited to share that our new facility is on track to open by end of March! The space will feature three full courts and ample parking, creating a welcoming and accessible environment for athletes, families, and guests. Our team has been working tirelessly to bring this vision to life, and we're pushing through the final steps to get everything ready.

As we move forward, we are seeking reliable contacts, contractors, and partnerships to assist with the remaining phases of the build-out. We are specifically looking for support in the following areas:

- Commercial Construction
- Electrical
- Metal & Aluminum Framing
- HVAC
- Drywall
- Plumbing
- Drop Ceiling Installation
- Landscaping
- Painting

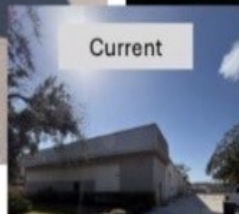

If you or someone you know has expertise in any of these fields, we would greatly appreciate the connection.

Please reach out to:

Michael Boling
