

We will be following all current CDC regulations. Please click on link which will also be on our website. https://nj.gov/health/cd/documents/topics/NCOV/COVID_GuidanceForSportsActivities.pdf

In addition to NJ Guidelines:

1) We will be scheduling games 1:15 minute time slots to allow teams to have time to get on the rink and off the rink. We ask that ALL teams please allow our Cleaning crew to service the bench area and locker rooms after each game before going to the benches. They will be sanitizing the benches, tops of boards and door handles after each game. Then our manager will allow the next game to begin with warm up time.

2) Locker rooms will be assigned as normal, with overflow into our party rooms, which we have now emptied for hockey purposes. All players MUST exit locker rooms within 15 minutes of game completion to allow for cleaning procedures.

3) All persons entering the facility must wear a face covering when NOT participating in HOCKEY on the PLAYING surface or OFFICIATING.

(You may wear a mask when playing or officiating if you choose to do so)

4) There will be NO close communication with officials/scorekeeper during live play and any players who come in close contact to dispute or challenge calls will be summoned off the playing surface and penalized.

5) Social distancing is expected when NOT participating in HOCKEY GAME ACTION.

6) We reserve the right to remove any customers who do not follow guidelines

7) There will be LIMITED spectators permitted in the facility, and if they attend, they will be expected to social distance. Please plan if there is too many people in the facility, there may be spectators who are denied access.

8) If you have more than one game in the same night, we ask that if possible you do not remain in the facility, but if you choose to do so, please find an area wear a face covering, and social distance.

9) 10) All players will be expected to get their temperature taken at entry along with a NEW one time waiver. Additionally, a daily health form MUST be filled out prior to entry each time. WAIVER & DAILY HEALTH FORM IS ATTACHED, in case you want to bring a copy with you each time OR you must fill it out PRIOR to entry into the facility on site.

10) FIGHTING WILL NOT BE TOLERATED. ANY PLAYER who is removed from the game for fighting, will be suspended for the REMAINDER OF THE SEASON (including playoffs). There are no appeals for fighting.

11) No minimum games played rule for this season.

12) Sub goalies will be secured when possible. We will do our best to help. The more notice we have, the better off we all are, but there are no guarantees.

We will do our very best to keep all of our customers safe at all times, as always. Please remind your players, if they feel ill, please remain home. We ask that as captains- you provide this message and all attachments to your team.
