

[DRAFT – RECOMMENDATION TO MYLA BOARD OF DIRECTORS]

2022

MYLA Exceptions to USA Youth Lacrosse Rules

In an effort to simplify and clarify the differences and conflicts between USA Lacrosse (USAL) Youth Rules and Maine Youth Rules (also referred to as “Maine Wrinkle Rules”), the MYLA Rules Committee has recommended that MYLA teams comply with USAL Rules to the greatest extent possible. With a predominate focus and view toward player safety and regional practicality and logic, USAL Rules will be followed for the 2022 Lacrosse Season, with the following exceptions (Note: please also refer to the summary age level cards that provide the exceptions for various age levels):
