

PIL OSAA Season 3 Safety Plan

Publication Date: February 10, 2021; revised March 29, 2021

PURPOSE: To prevent and or reduce the possible spread of COVID-19 while safely operating during OSAA Season 3, April 5 - May 17 for students and their families. These guidelines have been developed in alignment with the March 24, 2021 state guidance from the Oregon Health Authority ([Outdoor Recreation](#) and [Indoor Recreation](#)).

SCOPE: These procedures apply to all PIL OSAA Season 3 Athletic staff, students, and family members entering the PPS High School facilities.

RESPONSIBILITY: All persons entering PPS sites under the umbrella of PIL Athletics are expected to follow guidelines set forth in this document at all times.

GUIDELINES & INSTRUCTIONS:

1. Ensuring Continued Public Health

- a. PIL District Office Administrator's and/or site based Athletic Director's are designated as the "health and safety officers," responsible for establishing, implementing, and enforcing social distancing requirements consistent with this plan and guidance from [PPS](#) and [OSAA](#).
- b. Vulnerable populations will be asked to continue to stay at home.

2. Planning, Procedures, and Logistics

- a. Planning & Preparation:
 - i. Coaches and Participants: Participating staff and/or students will be advised not to report/attend activities if they have or recently had an illness with a fever or cough and/or if the staff member or student has been exposed to a confirmed or presumptive case of COVID-19. If staff and/or students have been exposed and/or are a confirmed case, they will report this information to school personnel immediately.
 - ii. Physical Space: Facilities used for PIL Athletics will support social distancing between students and staff.
 - iii. Training: All PIL Athletic staff responsible for training and instruction during the OSAA Season 3 will complete all mandatory PPS training prior to working with students.
- b. Screening for Symptoms:
 - i. Student and Staff Screening: For each athletic practice and/or workout students and staff will be asked to answer a set of health screening questions. Students and staff will go through a visual screening process as outlined by [PPS](#).

- ii. Display of Symptoms: If a student begins to display symptoms and/or fever at the time of screening or during athletic participation, they will be isolated in a designated space and the family will be immediately called to pick up the child.
 - iii. Confirmed case: If there is a confirmed case of COVID-19 in the program, staff will follow [PPS COVID-19 Confirmed Case Protocol](#).
- c. Physical Distancing:
- i. Athletic Facility Assignment & Set-Up: On the field there may be 15% capacity for students, coaches, officials, and event management personnel. For outdoor sporting events, there may be spectators up to 15% capacity per designated spectator area. Indoors there may be up to 50 people including, students, coaches, officials, event management personnel, and spectators.
 - ii. Athletic Workouts/Practice: Athletic programs will have their own athletic equipment (e.g. balls, jump ropes)--this equipment will be sanitized at the end of each athletic session.
 - iii. Arrival & Dismissal: A check-in area will be identified for each site based on lay-out. Parents/guardians and students will wait in a physically-distanced area for check in. The arrival and dismissal procedure will include:
 - 1. Health screening questions upon arrival
 - 2. Staff completion of [Daily Log](#)* (indicating when each student arrives, and staff they will have contact with during the day)
 - 3. Upon arrival students will go to his/her athletic area.
- *Daily Logs will be kept for at least four-weeks following the conclusion of the program in case contact tracing becomes necessary.*
- iv. Item Sharing: Students will not be allowed to share personal equipment, water bottles, food, clothing, or bags.
 - v. Spectators: There may be a maximum of 15% capacity per designated spectator area for outdoor contests.
 - 1. Spectators will provide name and contact information in case contact tracing becomes necessary.
 - 2. Spectators are required to wear their face covering while on campus.
 - 3. Spectators will maintain social distancing
 - 4. Spectators may not sit with people outside their household
 - 5. Spectators must maintain social distancing.
 - 6. Spectators will have access to separate restrooms from the players and coaches.
- d. Healthy Hygiene Practices:
- i. Face Coverings: It is required that coaches, students, staff, and spectators will wear face covering during program hours in accordance with the current

Executive Order or guidance from public health authorities. They should be reminded not to touch their face coverings. Staff, coaches, students, and spectators should provide their own face covering. If a staff member or student is unable to provide a mask for themselves or they forget their mask, the program will provide one.

- ii. Hand-Washing: PIL Athletic staff will provide handwashing and/or hand sanitizing facilities, tissues and garbage receptacles that are easily accessible to both students and staff.

- e. Cleaning, Disinfection, & Ventilation:
 - i. Cleaning: Staff will clean, sanitize, and disinfect frequently touched surfaces (e.g. athletic equipment, door handles, sink handles, etc) between uses multiple times per session.

 - ii. Water: students must bring their own water bottles. PPS will provide bottled water for emergency purposes.

- f. Other Programming Same Site:
 - i. Shared Facility: Staff will coordinate with other programs to ensure proper social distancing and cleaning protocols. This includes entry and exit points of athletic facilities.

QUESTIONS & CONCERNS:

Please direct any questions or concerns regarding the District's social-distancing protocols to Joe Crelier, Director of Risk Management, at staysafe@pps.net.
