FLAG FOOTBALL

The flag football season is underway, and the Colts are experiencing great success! 90 kids across Grayslake are throwing, catching, flag-pulling, and running their way through the season on Colts teams. This program is a great way to expose young athletes to the game of football where the main goals are to learn and have fun. It also helps grow our tackle teams for the upcoming season. Thank you to our volunteer coaches for your time and commitment to the program!
