## Eastern Mass Senators

### Little Senators

The Eastern Mass Senators Little Senators offers children ages 4-10 the opportunity to learn and love the game of ice hockey.

The Senators organization is committed to providing your youngster the age-appropriate training that your child will need to develop the necessary physical and mental necessary to play hockey.

Our program follows USA Hockey's American Development Model (ADM), which considers a players physical and emotional development.

USA Hockey's key focus for this stage:

- Help ensure our participants gain physical literacy
- Develop a passion for hockey in all children (keep kids & families in the game)
- Encourage daily physical activity
- Encourage participation in a variety of complimentary sports to help our children maximize their ability to reach their genetic potential in hockey
- Provide the opportunity to explore a new surface (ice) and mode of locomotion (skating)
- Develop on-ice balance, coordination and agility
- Introduce basic puck control skills

## Programs

**The Program:** The Eastern Mass Senators Little Senators program is continuing its relationship with Bruins Academy and expanding its program to include two new team programs. Our continuing players will be eligible to play for our Little Senators Elite team. This team will play in the Premier Hockey League of New England (PHLNE). We will continue with our Little Senators Learn-to-Play program that will play in the Stoneham Youth Hockey Community Development Program.

Our program goal is to continue the age-appropriate development of our players from beginner through our 18 & Under program<sup>1</sup>.

All Little Sens teams will practice together to ensure consistency in instruction and to track all players development.

Little Senators Elite : Our Little Senators Elite program will provide competitive play in the PHLNE. This will consist of a 14 game regular season, a parity round tournament, and league play-offs. This team is only available to 2010 birth years & younger

Little Sens Elite home games will be played at the Mass Bay Hockey Center on Route 1 in Peabody (216 Rear Newbury Street Peabody, Massachusetts 01960). The remaining games will be played at other teams facilities in eastern Mass. We will make every attempt to keep games close to minimize on travel.

Little Sens Learn-to-Play will provide a 20-24 game schedule in the Stoneham Youth Hockey Development League. All games will be on Sunday mornings at Stoneham Arena, 101 Montvale Avenue, Stoneham.

This program is available to first year 2009 & 2008 birth years and 2010 & younger birth years
