Volunteer issues, all varsity cheer teams did not have an opportunity for the Pantherfest volunteer opportunity. Last year date and times were sent out when volunteer links were sent out, would be nice if everyone had a heads up that sign ups were going out. Everyone should have the same opportunities to volunteer. Having a specific date and time. Having an option to sign up for more than just the 3 home games for each color. Varsity Black/Silver cheer did not get any of the sign ups for the black football games. Would like a way to make it fair? Need to promote board meetings more, some parents did not know that you could come to meetings. Parents are feeling frustrated and unheard. Some parents are saying they are going to give up their volunteer money this year. Some solutions to add some spots may be give priority to Varsity Black/Silver Cheer for games 7 and 8. Maybe limit spots for this cheer group and Varsity Gold football families that did not get the link to only 3 spots.
- V. Financial Report- wrote checks in the amount of \$1527.50 medics week 1 and two, Erin Radley \$70, Amy Yarbrough \$1374.20 practice shirts, \$273.40 Concessions Gary Gochenocher, Pro Pizza \$255 Pantherfest, Wonder jump \$1316.50 Pantherfest, KVCYF \$8,060.00 Ref fees, Michelle Roslinski \$ 25.44 for UD books.
