

HOW TO PRINT YOUR HEALTH HISTORY FOR YOUR DOCTOR TO REVIEW

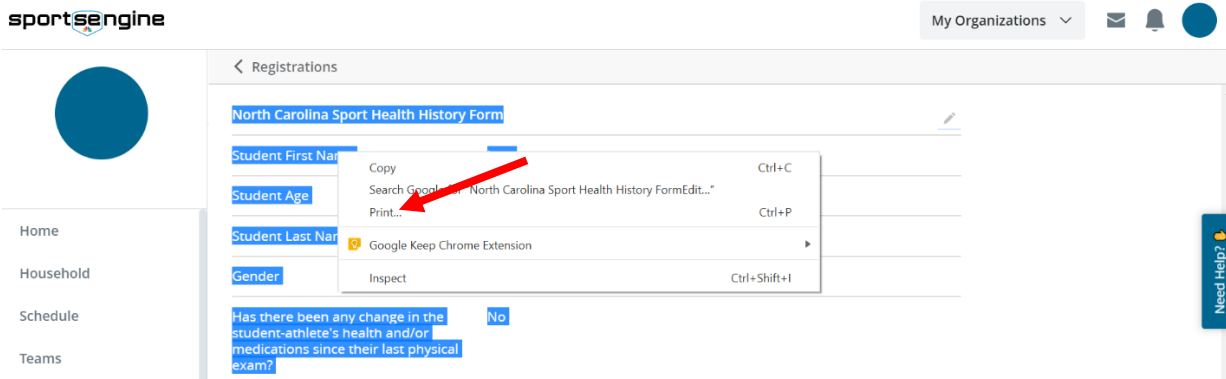

1. Log into your Wake County Athletics account and click on “Registrations”

2. You will then click on the appropriate registration.

3. You will then scroll down to the North Carolina Sport Health History form portion of the registration. Left click and highlight all text in that form. You will then place the cursor anywhere in the highlighted text and right click to bring up the window that you see below. Simply select print.

4. Instead of printing this you may show this information to your doctor from your device (phone, tablet, or laptop).
