Director of Dance

Lois Overholser

Ms. Lois was a member of our first group of company dancers and the very first competitive gymnastics team, and has been a part of the Huff 'n Puff family since the age of eleven. Since then, Lois has been an integral part of everything we do. None of our programs, especially dance, would be what they are today if not for the talent that Ms. Lois shared with us at such a young age. I am incredibly proud of her accomplishments and the woman she has become today. In addition to teaching dance and serving as the JDC Director for many years, Ms. Lois has also coached competitive gymnastics for several years. Ms. Lois has also expanded her horizons by judging at different Dance Competitions throughout the Southern Region of the U.S. Ms. Lois is married to Grant Overholser, and they have three beautiful children: two beautiful girls, Lily and Lianna, who are two of our competitive dancers, and a precious little boy, Asher Alan.

Instructors

Laney Cathey

Laney Cathey

Ms. Laney Cathey joined our JAX family in 2022. She graduated from the University of Arkansas at Little Rock and received a Bachelor's in Fine Arts with an emphasis on Dance Performance. She has studied and continues to explore various styles of dance,

including ballet, contemporary, hip-hop, jazz, modern, musical theater, and tap. Laney discovered her love for dance at the age of two and now shares her passion with students across the nation. Laney has been involved in the competitive dance world for 22 years, first as a student and now as an instructor. In those years, she has received multiple national titles and awards. She has trained and performed in various cities and is now employed by Triumph National Talent as a director and production manager. In her free time, Laney enjoys traveling and spending time with her husband and with her dogs, Earl and Sam. Laney married Jeffrey Cathey in October 2023.

Company Ballet Instructor

Kristof Waltermire

Mr. Kristof Waltermire, a well-known area ballet instructor and nurse at Arkansas Children's Hospital, is our Jacksonville Dance Company's Technique Ballet Instructor. Without Mr. Kristof, our Jacksonville Dance Company Dancers would not have the amazing technique that they possess, earning them numerous awards throughout the season. We are so very proud of him for pursuing his dreams in nursing and are truly blessed that Mr. Kristof continues to teach our dancers year after year.

Assistant Instructors

Rai Bullock and Lauryn Hague

Rai Bullock is a junior at Little Rock Parkview Arts and Science Magnet High School. She began taking dance classes here at the age of 8 and has been a member of our Competitive Dance Team for seven years. She started assisting in dance and acro classes last season.

Lauryn Hague is a junior at Cabot High School. She joined our JAX family at age 7. She has been a member of the Dance Company for seven years and was a member of our Competitive Gymnastics Team for four years. She also started assisting in dance classes last season.

Junior Assistant Instructors

Lynleigh Baron and Lianna Overholser

Lynleigh Baron is a 6th-grade student at Cabot Middle School South. She has been dancing for three years, with the last two years on our Jacksonville Dance Company. She started as a Junior Assistant this season.

Lianna Overholser, Daughter of Dance Director Lois Overholser, is a 6th-grade student at Cabot Middle School South. She has been dancing with us since the age of two and has been a member of our Jacksonville Dance Company since the age of five. She began assisting Mr. Kristof with ballet technique classes for our younger JDC dancers this season.

We are so thankful that these assistant and junior assistant instructors have joined our instructors in teaching the younger students. These Dance Instructors are making a significant impact on the lives of other young dancers. They are being trained and mentored by instructors who have risen through the Huff ‘n Puff family. We have witnessed their progress, and we look forward to many of these dancers continuing in their field of dance at Huff ‘n Puff.

We are especially thankful for the opportunity to perform today at our yearly dance recital. We are here for this wonderful recital because of the hard work of your children and our staff, as well as your continued support of our staff. In this, our 43rd recital, I would like to thank all of you again for your support.

Our Goal from our very first year has been “We want your child to enjoy the pleasure of learning the art of dance while also experiencing the joy of achievement.”

It is our sincere hope that, when grown, your children will remember the fun and achievements gained from their years at Huff ‘n Puff. Our entire staff is a remarkable group, and we hope that you feel they are making a positive impact on your child’s life. We also hope that you have as much pride in us as we have in your children and their accomplishments.

Huff 'n Puff continues to grow yearly. The recreational and competitive programs have made significant progress. Huff 'n Puff is the home to our successful Jacksonville Dance Company. Huff 'n Puff is also home to one of the largest gymnastics teams in the state--our Jacksonville Gymnastics Competitive Team.

Eight years ago, we introduced the Ninja Zone program, which many of our boys, as well as a few girls, enjoy. Thanks to Coach J's leadership, this program continues to grow each year.

Our Summer Day Camp and After School Care Programs continue to grow under the direction of Jackie York and Kristina Armstrong. Each year, we continually establish a waitlist due to the growth and reputation of our programs in the surrounding communities.

I am so grateful to all our dance instructors, gymnastics coaches, Ninja coaches, childcare instructors, and our very loyal staff members who have been with us for so many years.

We sincerely appreciate your continued support of Huff 'n Puff, our programs, and our staff. Without your support, we would be nothing.

My sincere gratitude to all!
