

2019-2020

Dear Business Partner,

As a partner with Jefferson Youth Hockey, we know that your organization focuses on the same Core Values as our association including Pride and Hustle, Integrity, Respect, Sportsmanship, Enjoyment, Player Development and Teamwork. Your contribution will help over 250 kids continue to participate in the sport of hockey for the 2019-2020 season. Your business will gain visibility to families in our community through our website at www.jeffersonhockey.org as well as other opportunities throughout the year.

We are looking for business partners to sponsor each of our youth teams. Please take a few minutes to review the attached information outlining our sponsorship levels along with the sponsorship form.

We look forward to partnering with you this season.

Sincerely,

John Frein
