<http://www.playitagainsportssyracuse.com/>

3910 Brewerton Road  
North Syracuse, NY 13212  
315-458-7101

\*\*There are also many online stores that sell youth hockey equipment. BE CAREFUL! Purchasing equipment at the store is always the best option because you can ensure the sizing is appropriate for your child. Also, hockey helmets have an expiration date and when ordering online you don't always have an option to choose the date range of your helmet (for example you may get a helmet with one year of playability simply because the vendor needs to get rid of it).
