

MSBL Board Meeting December 12, 2022 at 7 pm

Attendees: Alex Brunet, President

Mike Largent, Vice President

Wayne Vance, Treasurer

Joe Dimonda, Secretary

Karl Kemp, new 35+ Division Rep Alternate

Mike Miller, Webmaster/Scheduler

Bob Englemeyer, CMSBL HOF Committee Chair

League Finances: Wayne Vance, league Treasurer presented the status of the league finances to the members in attendance. For further questions, please contact Wayne. Budget concerns were discussed, but overall we are healthy in balances vs expenses. Bubba Baseball was recommended for fundraising. We have 28 teams signed up with a couple of teams that might come back in later.

Schedule: Jason is no longer making the schedule and Alex is buying software to take over the task to create a fair and balanced schedule regardless of what teams people play on. Mike Miller would head up efforts to research the different software types.

Cannon game of the week on Fridays will be introduced with the scoreboard and announcers.

Annapolis HS will be a project to continue with more clay coming and we will have access to the field prior to the existing situation. Meetings will be held with managers to make sure they know what to do at the field before and after a game.

Hall of fame, 2 current candidates are Fred Gore and Tim Wright. Bob Englemeyer will be in charge of drafting a proposal to submit to the BOD in order to change the HOF Voting and nomination process. In years past, votes were completed blindly with no discussion and former members either unsure of the candidates or voting using past biases. Bob's goal is to appoint a committee, maybe one rep from each division, and create a fair and open evaluation process. Bob will submit a proposal with new guidelines and voting in order to return to having a hall of fame.

Tryouts are March 12th, Joe diMonda will work with managers on getting that scheduled and advertising the event is coming.

Meeting adjourned at 8:30 pm.

Minutes completed by Joe Dimonda, Secretary.
