

Cooling Off Period and Player Specific Feedback

Following the official announcement of teams, the organization will observe a cooling off period of two days. During this time, HRBBA will not respond to questions about tryouts beyond confirming what team a player was selected for. Following the cooling off period, if requested, HRBBA may provide player specific feedback about the tryout. To protect privacy, HRBBA will not share any notes from tryouts on other players. Players who were not selected for a team will be informed by email to the primary email used in registration.
