Mindy thanked Cliff and Kellie for helping make Signing Day a success. There were 12 athletes that participated. Things are moving in the right direction with the Athletic Trainers. The deadline to apply for the new contracts is approaching and MCPS will decide new contracts on June 19. It is expected that the Trainers will have some summer hours. Senior Night is May 18 and the BC Scholarship will be announced then. Items that were approved for purchase at the April meeting are starting to come in. Danielle will get some volunteers to help clean out and sell the old refrigerator and Cliff will ask building services to help move the new refrigerator into place. Cliff will also look into MCPS picking up the old refrigerator as bulk trash if it does not sell.

Old Business:

Danielle noted that the scholarship committee is meeting this evening to vote on the recipients. Mindy asked Tara to work on setting up a newsletter this summer.

Treasurer Report:

Kellie passed out the financial reports and they are attached. Kellie explained that merchandise and concessions credit card sales will be separate Square accounts within our Cash App account. Steve will call some merchant service providers to see if it is possible to get a lower rate when taking credit card payments. Each sport and Best Buddies will be given \$250.00 in May. We will also donate \$250.00 to the Post Prom party. Mindy also asked if anyone knows of a volunteer who would be interested in shadowing Kellie next school and take over the Treasurer position the following school year.
