Project or Task List – June 1, 2023

Project or Task	Primary Responsible Party	Date Initiated	Anticipated Date Completed	Estimated Cost	Discussion of Status or Project
Purchase of UTV	SDR	October 2022	Summer 2023	\$35,000	LeFevre began looking at UTVs after October SFAC meeting.
Brushing of trails	NNSC	October 2022	Annually	\$1,000	It has become necessary to have annual brushing of the trails to remove encroaching saplings. This was discussed with SFAC and SDR in October 2022. Possible solution would be to include with the forestry management plan for CAVOC. Equipment for brushing could be purchased once a tractor is acquired.
Replace Ginzu Groomer	NNSC	October 2022	October 2023	\$13,000	Plan and/or budget for the replacement of existing groomer.
Lighted Trail System		October 2022	October 2024	?	Work with the SFAC on how lighting can be funded and installed. This may include the approximate 1k beginner loop to be developed.
Construct Beginner Loop	NNSC	October 2022	December 2023	\$2,000	There is a need to provide a beginner loop. Work with the SFAC to define a loop that can then be constructed. Optimistically when upcoming logging operations are conducted. The goal would be for a 1k loop.
Construct/Identify Adaptive Course	NNSC	October 2022	December 2023		Identify and if necessary, construct an appropriate Adaptive Trail. This could also be the beginner or 1k lighted loop.
Trail Signage	SDR/NNSC	October 2022	December 2023	\$3,000	There are no trail signs at the intersections that identify the degree of difficulty and recommended direction of travel of the ski trails. The Committee should approach the SFAC about developing a map for posting on the trails.

Project or Task List – June 1, 2023

Snow making		October 2022	December 2027	?	Evaluate the costs and potential for providing snow making.
Ski Lessons/Club Activities	NNSC		On going		<ul style="list-style-type: none"> ● Hold ski lessons at CAVOC to introduce trails to skiers and reduce the image of the trails being difficult to ski. ● Hold a Sno-Dag lesson at CAVOC. ● Hold a night ski at CAVOC for the general public similar to what is being done at Northwoods.
Other Activities to Promote CAVOC Facilities			On going		Look at other activities and venues to promote NNSC and the CAVOC trails. For example, the annual CXC Wayne Fish's Coaches clinic in the fall could be held on the trails.
Cross Country Ski Races	NNSC		On going		Continue to hold the Hodag Challenge and coordinate with the Race Committee about other possible venues, such as FIS sanctioned races.
