FC 1974 Libertyville

Program Details – Select Program U11-U12 Teams

GLSA truly values the development of the total soccer player and it shows through our player development curriculum, which focuses on teaching a player that having solid technical fundamentals will carry a player through their playing years. With the addition of the FC 1974 Elite Program, players with the aptitude of the highest level will now be able to attain that competitive advantage here at GLSA. All players must be committed to attending training and games, as well as developing skills on their own.
