

Jr Sharks House League

Bridge Series

Congratulations to your child for completing the Little Sharks Learn to Play program! They have taken their first strides towards a fun and exciting journey into the world of ice hockey. The next stop on their journey is to join a team in league environment...to join the Jr Sharks House League!

The goal of the Jr Sharks House League (JSHL) is to not only develop a players' hockey skills, but to create an environment where Bay Area youth can learn valuable life skills such as teamwork, good sportsmanship, positive mental attitude and having a good work ethic. For the 2018-19 winter season, the JSHL boasted 520+ players from the ages of five to fourteen. The JSHL is a great place for a young player to become a hockey fan for life.

In order to help the transition from the Little Sharks program into the league, we have created the JSHL Bridge Series. Although some players may be ready to join a league straight out of the learn to play classes, most kids need a little more time and practice before they are ready to join a team. This ten-session series will help those participants "bridge" the gap from learn to play classes to the league practices. It will allow them to gain a little more confidence and work on their fundamental skills at the appropriate pace. At the completion of the ten sessions of the JSHL Bridge Series, the goal is that most participants should be able to join the JSHL Winter Season which starts up on-ice in September.

We are offering two time options for the JSHL Bridge Series; 8:00-9:00am or 9:00-10:00am. Both time slots are open to '09-'14 birth year players who have completed the Little Sharks Learn to Play program and are coed. Once you are registered for a time slot, your player may only attend that time slot. Please no switching times.

The fee for the JSHL Bridge Series is \$180 for all ten weeks. No refunds, nor credits, will be given for missed sessions. Again, this series is for '09-'14 birth year players who have completed the Little Sharks Learn to Play program. Registration is only available online. To register, please visit the 'House' page of www.sjsharks.com and click on the 'Bridge Series' tab. Space is limited so sign up quick.

All players must be currently registered with USA Hockey, the governing national body for the sport of ice hockey. An annual USA Hockey membership is approximately \$46 (free for 6U participants and younger.) To register your player with USA Hockey, please visit www.usahockey.com. You will need the nine-digit, five letter confirmation number from USA Hockey in order to register for the JSHL Bridge Series.

For questions, please contact Matt Adams, Youth Hockey Manager, at madams@sharksice.com. Thank you!
