Chestnut Hill Youth Sports Club

Spring weather keeps us on our toes!

Despite the up and down temperatures and some rainy days, our teams have been out playing! Remember that all activities are on as scheduled unless you receive an email/text informing you that it is canceled. Most of the kids love being out in the rain (maybe not the parents, but ...). Our teams are busy each night utilizing Carson Valley and the Water Tower fields. Stop by Carson Valley on any Saturday or Sunday and you are sure to see a lacrosse or travel soccer game! Summer registrations are open now, with fall soccer opening soon!

Open Registrations (see links for more details)
