SYC is now offering Spring Volleyball Clinics! Spring volleyball clinics will be played using the same outdoor clinic style format as in the fall. Players meet once a week to work on skill development and scrimmage only with players on their team. Coaches and players alike enjoyed the safer, modified environment with no games last season, and we are encouraged to continue with this format for the spring. Space is limited, and spots fill up fast, so sign up today!

Registration will be only \$75. Let's get those kiddos outside!

NEWS AND SPECIAL EVENTS

A graphic for volunteer recruitment. On the left, the back of a person wearing an orange t-shirt with "VOLUNTEER" printed on it is visible. The background is a warm, orange-toned image of a person's legs. The text "SYC IS IN NEED OF A..." is at the top, followed by "Kickball Commissioner" in a large, stylized font. Below that is the slogan "THE KIDS LOVE IT. SAY YOU'LL HELP!". The SYC logo is in the bottom right corner.

THE KIDS LOVE IT. SAY YOU'LL HELP!

SYC hosted 2 sessions of kickball this past November and December as a pilot program. Our cross country and track commissioner graciously volunteered to get this program launched and did an awesome job running the two sessions.

Now that he's gotten the ball rolling, we need an official Kickball Commissioner to take charge! We're hoping to offer Kickball as a sport in summer/fall 2021 and are looking for a volunteer. Please email lauravaughn@sycva.com and say you'll help! Thank you!
