

IMPACT Soccer Club

Sponsorship Opportunities — Released 09/24/20

We are IMPACT Soccer Club, a non-profit sports organization providing recreational league play and elite competitive year-round play for almost 40 years, serving more than 1400 players, aged 4-adult, from East Contra Costa County.

We host the largest annual Fall Soccer Tournament (Boofest – 2020 would’ve been our 8th year) in the area – with over 130 teams registering for the 2-day event in October 2019, from the greater Bay Area region. **With the vision to ignite and foster in our players a love of soccer, encouraging and inspiring them to reach their highest potential on and off the field, IMPACT Soccer Club relies on contributions from our members and community to continue to provide the highest level of soccer at a price that is affordable to our local families.**

As a non-profit, we are seeking Community Partners whose generous donations will allow us to maintain our needed equipment, supplies and continue to recruit and retain high-level coaches and staff. The majority of our members use the Club website (www.ImpactSoccer.org) regularly throughout the year for information, registrations, team communication and more. We are visible on social media with Facebook ([Click here for link](#)) and Instagram ([Click here for link](#)) offering engagement, contests, updates and more to our soccer community. We also publish a periodic digital newsletter that is sent to a minimum of 1800 households. ALL of our sponsors from the Bronze Level and above will be mentioned in our newsletter publications.

TYPES of SPONSORSHIP AVAILABLE

PLAYER SPONSORSHIP:

The IMPACT Soccer Club has had a scholarship program in place since 2013 ([Click here to see further information on our Neto’s Fund Club Scholarships](#)). This program is available to Pre-Academy, Recreational and Competitive families. **For the 2019/20 season we provided over \$15,000 in scholarships to 25 of our young athletes.**

TEAM SPONSORSHIP:

Our teams are always looking to keep team fees as low as possible for participants – money goes directly to a specific team and the donation may be tax deductible as it is not being applied to a specific player, it is going to a group of players within our Club. This could be team socks, banners, pop-up, benches, or covering the registration fee for a tournament.
