

GSC 2023 Fall Rec Soccer Player Registration Procedures with Sports Engine

1. Go to **GENESEO SOCCER CLUB** website

- www.geneseo-soccer-club.org
- Click on one of the many links that will take you to “2023 Fall Rec Soccer Registration”. There’s one under the “Recreational” tab as well.

2. Create a Primary (Parent) Account

- Since we have transitioned to a new platform, Sports Engine, this will require every adult registering a player to create a PRIMARY (Parent) ACCOUNT.
- Some of you may discover you already have an account with Sports Engine, which will be the account you will use with GSC as well.

3. Register Player(s)

- All players are considered a “NEW PERSON”. It does not matter if they are new to GSC Rec Soccer or a returning player.
- You are able to register multiple children and make one online payment. Once you complete one child, you can add another “New Person”.

4. Make Payment

- All payments will be made online at the end of registration.
- Player registration is complete when a payment is made.
- If no payment is made or no special code is entered (please see the first page of registration for more information), your player is not registered and WILL NOT show up on our registration list and will not be placed on a team.

5. Additional Information

- Only the Primary Account Owner will receive GSC information through the new messaging system moving forward. If other family members need to be kept in the loop, please add them as “Guardians” to each of your players. This will create a “Household” and ensure everyone receives the same information. Check out this link to learn how:
<https://help.sportsengine.com/en/articles/6304039-how-to-add-guardians>
- Parents wanting to register a player after the Registration Window is closed will need to receive a direct link to the registration site. Their player’s registrations will be considered a “LATE REGISTRATION” and the following may occur. Notification of team placement may happen after August 28th. If additional teams need to be formed and coaches are needed, parents of late registrants will be asked to coach.
