Seating Project

FARGO POST 2 AMERICAN LEGION BASEBALL

Take a Seat in History — And Help Build the Future of Post 2 Baseball

Since 1966, the seats at Jack Williams Stadium have supported generations of baseball fans — and after nearly 60 years, it's time for a much-needed upgrade.

In Fall 2025, we're removing and replacing all stadium seating as part of a major renovation. This project is a joint effort: Fargo Parks will be handling concrete repairs, while Post 2 Baseball is leading the full replacement of the seating areas.

We're inviting fans, families, and community supporters to be a part of this legacy through seat and section sponsorships. These sponsorships will include naming recognition — not reserved seating — and will remain in place for the next 20 years.

Renovations are expected to wrap up by December 2025. Join us in making history and creating a better ballpark for future generations of Post 2 players and fans.
