

General Meeting Minutes

March 18, 2026

7:07 PM: Call to order

7:15 PM: Welcome/Introductions: Ken & Trina gave an overview of the purpose of Boosters

7:17 PM : Booster President Report: Ken

- Raise-the-Paddle item - presented draft renderings of Gordy costume. Narrowed down to potentially working with the only company (out of five) that offers a cleaning & maintenance service. Kat Losby suggested a Hazen alum who is doing costuming as a career to provide a bid.
- Still waiting for the rain to stop in order to paint the shed and install shelving. Also will install some type of commercial grade flooring on top of current subfloor.

Review of minutes from previous meeting

- Asked James Billotti about the status of running concessions from The Joe (shed). Interested groups should contact James directly to sign up, as he has a schedule. There is no advertising of this opportunity. Currently, Winter Sports teams have run concessions during their games. For this fundraising opportunity, a group brings everything to run concessions however they want. All that is provided is shelter and two outlets with electricity.

7:28 PM: Membership Report: Daraith

- Not much change from prior month. Aimee Sargent will be joining Daraith to help promote Booster membership

7:30 PM: Treasurer's Report: Lee

- Mariners ticket sales are doing well (Baseball & Fastpitch fundraiser)
- SGE26 fundraising efforts and registrations have exceeded expectations

7:32 PM: Fundraising Report: Hoyt

- T-shirt redesign effort – still no student submissions, Leadership team will promote once more
- Husky Concessions – get certified before the fall so volunteers have an opportunity to work a game they want. Must be 18+ (Aramark restriction)
- Auction is April 25. Goal is 120 guests but currently at 88. RTC Coordinator anecdotally said her observation is all groups are experiencing lower participation in both attendance and donations
- Photo upload for slide show is available. Everyone is encouraged to send out the link to anyone with photos so we can get a good representation for auction slide show

- Raffle tickets will be available on MaxGiving to purchase with guest registration
- Last auction meeting will be the walkthrough meeting on April 22 at RTC
- ASB Red Robin fundraiser for SGE29 is on March 19, 2026
- Hoyt mentioned he sent a \$2k fundraising opportunity (Valentine Roofing wanted to do advertising showing they supported a local school/program) to coaches but no one responded. Asked his daughter to do it f/b/o Girls Soccer and all she had to do was write a short paragraph and was done within 20 minutes. Briefly discussed if Hoyt's emails are going to Junk mail, if coaches are engaged with fundraising, etc. because these are some very easy opportunities.

7:47 PM: Social Media Report: Trina

- Spring Plant Sale – volunteers needed for sorting and hauling on April 23
 - Online orders are open until 3/31, paper orders/checks must be in Booster mailbox by 3/27
 - Sorting is 12P – 2:30PM, pickup is 2:30 – 5:30P. Student volunteers may earn volunteer hours.
 - Items are sold in half-flat increments but Trina must order in whole-flat increments. Thus, some extra items may be available for purchase, but those tend to go quickly.
 - Senior yard signs will also be available for pick up at this time
- Golf Scramble is May 17 – grand prize is golf for four at Newcastle Golf Club
