Dear Parents/Guardians of 3rd Grade Boys:

The 2018-19 Lake City Elementary Basketball season for boys is quickly approaching. This year we will be offering a Basketball opportunity for boys in 3rd grade. The purpose of the Lake City boys youth basketball program is to provide opportunities for all boys in grades 3-6 to learn the fundamentals of the game, develop skills, play in competitive situations, and have fun. Practices for 3rd grade boys will be held on various Sundays throughout the Winter season. The cost of this basketball opportunity will be \$40 (check can be made to Lake City Athletic Boosters) and will include a reversible jersey and a couple Saturday tournaments. Any parents interested in having their son participate in 3rd grade basketball should complete the registration form below.

The 3rd grade team will be coached by Tom Meyer, Tom Reckmann, and other parent volunteers. The coaches will let parents know when the first practice will be at a later date. Tom Reckmann can be reached at 507-251-4093.

Please turn in forms to the Bluff View office by **Friday, October 12th**. This activity is run through the Lake City Athletic Booster Club and is not sponsored or endorsed by District 813.
