New Business

- **Welcome new board members-** Mikaila Miller and Nicole Patty
- **Uniform vendor presentation-** Jarrod Boman

WAHA is still determining who we are going to work with for the next year's season for jerseys. We looked through a catalog of packages for the next year, with pricing options. This previous year we went through Elevate, and had issues with our jerseys, so we are open to the idea of using a local supplier. We looked at jerseys, socks and bags examples from the Equipment Room and talked about differences in materials.

- **2025/26 Season preview-Discussion**

1. Rep/Travel

- Teams: 8U Devo, 10U, 12U, 14U, 18U
- Coaches
- Rep tryout date: Aug 4/5 (10U/12U), Aug 11/12 (14U/18U)

We are wanting to open registration at the end of this week.

- Registration Fees

We discussed 10/12/14U registrations to be raised \$100 to cover ice time, 2 away tournaments, one home tournament (home tournament dependent on team numbers) jerseys and socks and development programs. Additional tournaments would require out of pocket costs dispersed across the team.

Brie motioned to increase Rep Registrations by \$100 for 10/12/14U. Adrienne seconded. There was a unanimous vote yes to raise the registration fees.

Registration fees are going to be raised \$100 due to an increase in ice time.

2. House start/end date

- Registration Fees

We discussed keeping 8U at \$325 and raising 10U and up by \$50. They will get the same perks included as the previous year. Coaches will get a 25% reimbursement after December 31st to ensure that they get the proper credentialing and coaching registrations.

Discount would count towards 25% of entire registrations which could include more than one child's registrations.
