

Tier 3 Resurgence Mitigation Operating Procedures for Glacier Ice Arena

ENTERING / EXITING THE BUILDING

All staff, coaches and patrons must enter through the front doors marked entrance. There are NO EXCEPTIONS to this. Please enter via the doors closest to the pro shop marked entrance.

Upon entering the building everybody must sign in marking the date, time, name and telephone number. This must be done every single time you enter the building.

Exiting the building must be through the front doors closest to the offices marked exit. the doors at the rear of the building must not be used at any time other than in the case of an emergency.

FACE MASKS

Face masks must be worn at all times by everyone who enters the building. This means all coaches, staff and patrons must wear masks, covering their nose and mouth, whether on or off the ice. Clear perspex shields are no longer acceptable unless worn with a mask.

SOCIAL DISTANCING

Social distancing guidelines must be adhered to wherever possible. Please remember to stay at least six feet away from colleagues and customers whenever you can.

HOCKEY

Please enter the Glacier 10 minutes prior to your reservation. Anyone entering the building must sign in at the Glacier front desk. Masks are required 100% on and off the ice while you are in the Glacier. Parents are to drop off only and not enter the building. If your child needs assistance, you must leave the building once they are on the ice. Locker rooms will not be available and are locked for your safety, so please dress prior to your arrival. Participants will be required to depart the facility immediately after reserved session.

FREESTYLE

All coaches must continue to wear masks, covering your nose and mouth.

Perspex shields are no longer acceptable unless worn with a face mask.

Freestyle Ice will continue with a maximum of 15 skaters on the ice at any time.

Freestyle ice must be pre booked.

All skaters must wear face masks at all times.

Coaches are not permitted on the ice - coaches on players benches, rink doors, Zamboni doors if needed.

No coaching of tots or students that require physical help.

Observe social distancing guidelines at all times.
Please encourage your students to observe social distancing guidelines, and ensure they wear face masks at all times.
Skaters will be asked to arrive as close to their ice time as possible. The Conference room will still be available for putting on skates if needed.
No parents in the stands

CLASSES

All classes will be paused until further notice.

PUBLIC SKATE / RAT HOCKEY

All public skate and rat hockey will be paused until further notice.
