We are a USA football certified youth tackle football league serving NACS grades 3-6. This league consists of six teams. Each team has a Varsity (5th & 6th) and a JV (3rd & 4th). Games are played at 9 AM or 10:30 AM. Each team plays each other once and the sixth week is a playoff week. Returning players register with their previous team and new players get drafted onto teams after evaluations.

Registration fees include: Helmet, Shoulder Pads, Pants w/ pads and a mouthpiece. All equipment is fitted by our USA Football certified coaches. All equipment is returned at the end of the season.

All coaches go through a background check and a USA Football Heads Up Coaching Certification program. Coaches may not participate with teams until these are both completed.

We have strict rules on who can carry the ball based on weight. As of the 2020 season, all players 110+ lbs (varsity) and 90+ lbs (JV) are designated as a striper and have to play the line. Weight limits are subject to change at the beginning of each new season. Weight limits are based on the average player weight. All games have referees. Concessions available at games.
