

Lincoln Youth Football

Tax Identification Number: 36-3465777

Dear Prospective Sponsor:

LYF's basic purpose is to guide the character development of the participants within an atmosphere of strength, endurance, ability and motor skills through instruction in the basic fundamentals of football. All of these elements are generally considered basic to an individual's health and fitness. The program strives to foster friendships and achieve clean living both on and off the playing field.

To obtain these objectives, it is the responsibility of a Head Coach and his staff to be competitive, stress enjoyment, strive to win, and improve the proficiency of the team throughout the season. The primary emphasis will be placed on the thorough and competent instruction of all players in football fundamentals as opposed to over- specialized techniques or styles of play.

The LYF League is designed to be competitive. Those players that participate diligently, and play to their fullest capacity, will participate in each game regardless of his or her natural ability. Within the LYF League, winning will provide a measure of achievement and spirit of competition; however, this motive shall not override enjoyment, good sportsmanship, equal opportunity, and the mental and physical well-being of every player.

The Lincoln Youth Football League is looking forward to this next season, which will consist of approximately 7-9 games all held at the Lincoln Youth Football complex located at 201 South Street Lincoln NE. We have eight sponsors throughout the city that have at least 5 teams within a sponsorship. Some teams may have more based the number of players assigned to each team.

As we continue to provide a safe environment of learning proper skills to become effective football players, we do have expenses of field maintenance, uniforms, equipment, referees and insurance. Lincoln Youth Football strives to operate on an affordable basis, so all kids in and around Lincoln can have an opportunity to participate. Without parents, community and business support, some players would be excluded from participating. The Lincoln Youth Football League would appreciate your support in helping us find potential business sponsors so we can continue to provide and grow this organization. Lincoln Youth Football League is a non-profit organization and all sponsorship money will be used solely for the expenses of the league and its teams. With a monetary donation, your business or organization, will receive an advertisement on our website.
