

2026-27 Season Program & Pricing

Program Overview

Our Youth Program provides a complete player development pathway from foundational training to elite competition and college recruitment opportunities. Players train in a professional environment focused on technical development, tactical awareness, and competitive growth.

All players in our program will benefit from:

- Professional, licensed coaching staff
- Curriculum-based player development training sessions
- Fall, winter, and spring training sessions
- Year-round competitive league and tournament play
- A pathway to advanced league platforms and college soccer

Program Levels and Tuition

U8 Academy (USYS)

Season Tuition: \$ 990

Our U8 Academy is the beginning of the formative stage introducing players to a positive and challenging training environment focused on technical development, creativity, and enjoyment of the game. Teams will play four (4) outdoor tournaments.
