

Athlete Registration Quickstart Guide

ALL athletes participating in NCAA-certified events MUST register in the NCAA Basketball Certification System (BBCS) - <http://bbcs.ncaa.org>. Detailed step-by-step instructions are provided in the Basketball Certification User Manuals section of www.ncaa.org/basketballcertification.

All tabs on the athlete account must be COMPLETE (including documents uploads when applicable) BEFORE a coach can add the athlete to the team's bench/roster.

Must have an NCAA Eligibility Center (EC) first.

Beginning in 2019, a valid EC account is required to register/renew a BBCS athlete profile.

- Have an EC account already? Just enter that number when registering in the BBCS.
- Don't have an account?
 1. Go to www.eligibilitycenter.org.
 2. There are two types of EC accounts. If you do not already have an EC account, choose **Division III or Undecided** to avoid having to pay (**It's FREE!**). The account can be upgraded later if needed when the athlete is closer to enrolling at a Division I or II institution.
 3. Not in high school yet? When asked for your high school, select the high school you plan to attend and enter January 2019 as the start date.
 4. Once registration is complete, you will receive a 10 digit ID number. This number is needed to complete your BBCS registration.
