

Dear Business Owner,

The Hortonville High School Lady Hoops Basketball program has been stellar in the past few seasons; qualifying for state, winning conference, and making deep playoff runs in recent seasons, the team needs your help to keep this championship effort going!

The team is hosting its 9th Annual Lady Hoops Golf Classic fundraising event on Saturday, August 23rd, 2025. This is the main fundraiser for the program and provides for uniforms, equipment, post-season tournament costs (i.e. dining/lodging, travel), summer league/tournament fees, stats/scouting capabilities, and team building experiences.

Your sponsorship will be highly visible at the event and on the Hortonville Lady Hoops Facebook, Instagram, and Twitter social media platforms. We are asking for your help in supporting the program through a sponsorship or merchandise donation for this event. Sponsorship opportunities are a great way to support the program and gain visibility for your business. Donations of gift certificates or merchandise will be used for the raffle baskets and other fun prizes.

Your support is extremely important for our program's success. We are so thankful for the community's involvement in our program!

Our appreciation in advance,

Hortonville Lady Hoops Basketball Team, Booster Club, and Coach AC Clouthier
