

MACCABI CANADA

Maccabi Canada is looking for coaches and team managers to participate in the 21st Maccabiah Games in Israel, July 2022.

Maccabi Canada is looking for coaches and team managers to join Team Canada at the 21st Maccabiah Games, scheduled for July 12-26, 2022 in Israel. Our goal is to recruit elite level coaching and athletic talent to compete in the Games.

The Maccabiah Games, a prominent international sports competition, are held every four years in Israel. It is one of the top three gatherings of athletes in the world, just behind the Summer Olympics and the Asian Games. In 2017, over 10,000 athletes proudly represented 80 countries.

For additional information please refer to our [FAQs](#) or visit the Maccabi Canada website [here](#). If you still have additional questions, feel free to contact Ashley Kochman, our National Athletic Director at ashley@maccabicanada.com.

Head Coach

The goal of the Head Coach is to guide and lead their athletes providing their expertise in order to achieve sports excellence and the best obtainable outcome for their team.

Responsibilities:

The Head Coach will work closely with the Team Manager to identify and recruit high level athletes in their sport. It is the coach's responsibility to plan, attend and execute all tryouts and training camps.

During the Games, the Head Coach is required to attend the coaches' technical meetings and, if necessary, any meetings relating to athletic participation, security, medical access, and any other issues as required by the Maccabi Organizing Committee and Maccabi Canada.

Qualifications:

A Head Coach needs to have extensive coaching experience in the sport they are applying to coach.

Staff application process will close March 1, 2021 at which point we will review all applications and will contact you with further information. Only those selected for an interview will be contacted.

Team Manager

The goal of the Team Manager is to ensure the smooth operation and compliance of their assigned team as well as the well-being and safety of their athletes.

Responsibilities:

The Team Manager is responsible for one specific team. They work closely with the Head Coach to ensure the scheduling and smooth operation of all aspects relating to athlete identification and recruitment, training, competing and well-being. As the head of logistics for the team, you will be responsible for enforcing and executing all guidelines, timelines and policies set by the Maccabi Canada head office, including athlete registration, payment schedule, competition uniform, communication, and information distribution.

During the Games this role includes age-appropriate supervision and management of the athletes, assisting the coach before, during and after competition in ensuring that all logistical needs are being met for the team.

Qualifications:

A Team Manager does not need to have coaching experience but must be familiar with all aspects of the sports they are applying to manage.

Staff application process will close March 1, 2021 at which point we will review all applications and will contact you with further information. Only those selected for an interview will be contacted.
