- 5) Treasurers Report (Katrina Benamati) – In process of transferring everything from Laura to Katrina. Will need to meet at the bank with Mike. PO Box is paid for the year. General funds/grant money needs to be allocated.
A motion was made to have a portion of all player registration fees to go into the general fund to help pay for background checks and other fees. \$2.50 of all registrations to go to general fund. Question, how much background checks will cost per coach/volunteer. Mike to contact someone with Sports Engine.
- 6) Communications Director Report (Dana Leonardo) – Just recently able to gain access to Facebook. Plans to post current board members. Will also advertise upcoming baseball/softball in person registrations.
- 7) Commissioner Reports
 - a) Soccer (Mike Letzring-absent) – No report
 - b) Football (Amanda Warner) – Attending NYFL meetings. It is unclear if New York State will allow tackle at this time. Also, unsure if we have the numbers for teams to play. If numbers are not there, not sure who we can merge with as Hoosick Valley and Mechanicville are merging for the upcoming season. Amanda plans to send out an additional survey to see who plans to play. Only 26 total people filled out the last survey that was emailed out.
 - c) Cheerleading (Megan LaRose-absent) – No report
 - d) Baseball (Shawn Sharp and Andy Jennings) – Registration open for about 2 weeks. 87 kids already registered. Batting cages will be bought and hopefully put up before the start of the season. A group of volunteers met at Andy Jennings home in January and reviewed the rule book. Katie Brunson and Greg Hayes have been working to secure sponsorships both old and new.
 - e) Softball (Nicole Dalzell and Karen Major) – see baseball above
 - f) Basketball (Alex Zuis and Marcia Kittredge) – 2 weeks left. Things are going well. Some bumps in the road with communication between OSAA and travel team coaches. These coaches have been doing it for a while. Plan for next year is to have a board of volunteers in order to make things run more smoothly similar to baseball and softball.
 - g) Field Hockey (Marcia Kittredge) – working on upcoming 1-day clinics. There is one in Burnt Hills and we are hosting a clinic on 4/26
