U15 and U19 teams may only need to play each opponent twice to make ideal game quota. U12 might play each other three times but only the first two of the three count toward standings.

We will reach out to the U12 girls' teams that play in boys\co-ed leagues to try to determine why they don't play with us.

III. Old Business

At the May meeting we discussed trying to swap the weekends of the MSGHL tournament with the CCYHL playoffs to give the girls an extra week of the season. That did not work out.

CAHA needs a girls' hockey representative. If you know of someone qualified, please let us know so we can make suggestions to CAHA.
