

Code of Conduct

This Code of Conduct applies to athletes, coaches, the Board of directors, officers, committee members and volunteers. All of the aforementioned individuals are required to read and sign this document, acknowledging that they understand and are agreeing to abide by its content.

All individuals covered by this code will maintain an atmosphere of mutual respect toward each other as well as those FastPitch Nation (FPN) conducts business with and those we may come in contact with during the execution of duties and activities. Athletes will, at all times, show respect for all coaches, officials, and staff members. Coaches, staff, officials and volunteers will treat all athletes fairly and with respect.

Any coach, player, or spectator ejected from a game will face disciplinary action. Each incident will be reported to the FastPitch Nation President and reviewed by the FPN Board of Directors as appropriate.

FastPitch Nation players, parents, and coaches are all under a strict zero tolerance policy regarding the Code of Conduct as adopted by FastPitch Nation and USA Softball and USSSA Softball.
