Description

- F1, F2, F3 all leave from the ref circle at the same time and go 1 by 1 around the center circle.
- F1 receives a pass from 4th guy in line and goes 1-1 with the goalie to get a shot off at the top of the circle.
- After F1 shoots, he goes behind the net to pick up a puck as F2 and F3 curl down and around the face-off dots back up the ice and receive a breakout pass from F1.
- D1 follows all of the forwards on the 3-0 and gaps up while they are breaking out and it turns into a 3-1.
- After shot on net from the 3-1, D1 retrieves a puck from behind the net as all three forwards regroup in the defensive zone and receive a breakout pass from D1 and head back up the ice for a 3-2.
- D2 and D3 follow all three forwards as they go up the ice for 3-1 and then gap up off of breakout from the forwards.
- Play is done after 1 shot on net from the 3-2 and it should be quick.
